

FINAL CONFERENCE

Final Conference took part in Wismar on 16th and 17th of December, 2014 as an International Joint Final Conference of two projects: BAYinTRAP and SoBaTo. Both projects directed their activities to youth, so the conference created good opportunities for exchange of ideas and experiences.

First part of the meeting presented two success stories of the South Baltic Sea Programme: BAYinTRAP by Jacek Piotrowski and SoBaTo by Lone Reppien Thomsen.

Then results of main part of BAYinTRAP project were presented and discussed: in Szczecinek by Maciej Makselon, in Klaipeda by Tadas Mezynis and in Greifswald by Andy Albert.

Also results of SoBaTo project were presented: Technolympics in Schwerin by Steffi Groth, Technolympics in Gdańsk by Lucyna Formula and Technolympics in Bornholm by Lone Reppien Thomsen.

Final session of the conference was dedicated to presentation and sharing of specific project ideas. Partners of both projects presented their ideas of continuation of just finalized projects and new projects.

Part of the Conference was an exhibition presenting results of BAYinTRAP project.

The South Baltic Cross-border Co-operation Programme is co-financed by the European Regional Development Fund (ERDF).
